

DIRECTOR'S REPORT

Regional contests were held in 8 cities of Asia West Continent to qualify for the Asia West Continent Championship. These cities are Dhaka (Bangladesh), Peradeniya (Sri Lanka), Topi (Pakistan), Kabul (Afghanistan), Tehran (Iran), and three sites in India viz. Amritapuri, Chennai and Kanpur. A large number of teams participated in these regional competitions. Based on the official rank lists, 101 top teams were selected for the Asia West Continent Championship 2026. This selection was done purely on the basis of merit, problem-solving ability, accuracy, and time management. Break-up of these 101 teams were 25 teams of Dhaka site, 9 teams of Tehran site, 51 teams of three sites of India, 6 teams of Peradeniya site and 5 teams each of Topi and Kabul site. This year, the championship was a multi-site contest at four major locations—Mathura (India), Dhaka (Bangladesh), Topi (Pakistan), and Tehran (Iran). It was decided that 26 teams would be participated in Dhaka site, 8 teams in Topi site while there would be 11 teams in Tehran site and remaining 56 teams (5 teams of Sri Lanka and 51 teams from India) would be in Mathura site.

On 07 March 2026, the activities for the ICPC Asia West Continent Championship 2026 at the Mathura site hosted by GLA University began with the arrival of participating teams at 03:30 PM, followed by a practice session from 03:45 PM to 04:45 PM to familiarize participants with the contest environment. The Ceremonial Inauguration was held from 05:15 PM to 06:30 PM, starting with a welcome address by Prof. Rohit Agarwal, Deputy Regional Contest Director (RCD), Representatives from various regional sites, including Dhaka, Topi, and Tehran, addressed the participants, while Prof. Ashish Sharma, Associate RCD Mathura Site and Dean of Academic Affairs, highlighted the importance of international academic competitions. The System Group (Mr. Suraj and Mr. Arjun) provided technical instructions, and remarks were delivered by Prof. Abul L. Haque, Secretary of the Asia West Championship, and Prof. Phalguni Gupta, Director of ICPC Asia West Continent. The session concluded with a vote of thanks, followed by a cultural event and sponsors' presentation, and the day ended with the contest dinner, where participants and organizers interacted informally.

On the second day of the ICPC Asia West Continent Championship 2026, the Main Contest started at 10:15 AM with a duration 5 hours. During this contest, teams worked collaboratively to solve complex algorithmic and computational problems within the stipulated time without any issue. There were 12 problems to be solved. Due to political situation circumstances, teams from Tehran and Afghanistan could not participate in the event. A total of 85 teams participated in the contest. The distribution of teams was 26 teams in Dhaka site, 4 teams in Topi site while 55 teams in Mathura site. Out of the 85 teams that took part in the competition, 4 teams could solve 7 problems, 13 teams solved at least 6 problems while 28 teams could make the correct submissions of either 4 or 5 problems. The final results of the ICPC Asia West Continent Championship 2026 highlighted outstanding performances by teams from leading institutions. The first position was secured by team from the Indian Institute of Technology (BHU), Varanasi while the second position was achieved by team "TOURISTS" from the Indian Institute of Technology, Delhi, while the third position was secured by team "Div4Maxxer" from the Indian Institute of Technology, Kharagpur.

We acknowledge the support provided by ICPC Foundation, Jane Street and JetBrains to make it a grand success.
